RE: Summer Camp

Dear Treetop Families,

I hope this message finds you healthy and safe. It is such a tumultuous time right now for all of us.

The Treetop team and I are all doing well and we dearly miss all of you!

I am writing to let you know that we are still planning for a summer camp program. At this time we have no direction as to when we will be allowed to re-open our programs, however, I want to assure you that we will operate during the summer (and before!), if permission is given by the health authorities.

For those children in preschool that will be entering junior kindergarten in the Fall your child will be enrolled in the kindergarten camp.

For those children in senior kindergarten entering grade one in the Fall your child will be enrolled in the school age camp.

Please note we are not taking any camp deposits at the moment but I would like to know those of you that are interested in attending. Kindly advise by email.

Stay safe and be well! Amy and the Treetop team
